## WORK EXPERIENCE

**SENIOR SOFTWARE ENGINEER, Vista,** <https://www.vistaprint.com>

Feb 2019 – Present | Tunis, Tunisia

*Part of the supply chain team, our role is to develop / manage and support the IT part of the business that is used by +200 suppliers and +70 plant users.*

- Guided junior developers and implemented several feature-rich releases for our supply chain online business.
- Successfully led the migration of our web portal from .Net framework to .Net core / ReactJs, resulting in increased performance by over 100%.
- Assisted in designing / extending our micro-service architecture resulting in fewer dependencies and 50% fast deployment.
- Collaborated with the team and the product owner to create / assign tickets for each sprint.
- Successfully reduced manual tasks for suppliers / plant users, saving the company +5k monthly.
- Assessed interviewing candidates (technical and behavior interviews).

**SOFTWARE ENGINEER, Vista,** <https://www.vistaprint.com>

Feb 2018 – Feb 2019 | Tunis, Tunisia

- Enhanced the UI layout and made the web portal fully responsive, increasing client usage by 150%.
- Assisted in extending our supplier portal features.

**WEB DEVELOPER, AllAboutOnline**

Mar 2015 – Feb 2017 | Gloucester, United Kingdom

*Part of a team of 5, and our role was developing / supporting / maintaining several projects simultaneously.*

- Designed, developed, and maintained client's websites.
- Met potential clients and proposed solutions for their businesses.

## FREELANCE EXPERIENCE

**SENIOR FRONT-END DEVELOPER, Flitter,** <https://flitter.fr>

Jan 2022 – present

*Part of a team of 7 members, responsible for providing the best user experience and features to encourage visitors to use our car insurance.*

- Created / improved UI layout based on Figma design, helping to increase our website conversion rate.
- Worked closely with the team to integrate APIs with our website.

**FREELANCER WEB DEVELOPER, Upwork**

Jan 2021 – Jan 2022

*Top-rated-plus freelancer (top 3%) with +20 projects completed successfully and +90% job success rate, [link to my profile](#).*

- Developed a skill set that let me meet tight deadlines and handle multiple projects.
- Liaised with clients and building strong business relationships led me to accurately handle clients' needs from acquisition to completion.
- Utilized self-taught languages including VueJs / Bulma to code a highly flexible hybrid app.
